SELECTED GRADUATE PROJECTS

Tempest Esports Business Portfolio Sep 2025 - Present

Full Sail University - Concept-stage graduate project

- Developed an FPS esports organization across coursework in brand strategy, finance, digital marketing, negotiation, law, and distribution; produced business-model canvases, competitor research, pro forma analysis, and rollout plans.
- Designed a proposed \$15,000 Year 1 integrated marketing plan and prepared IP and sponsorship deal-point frameworks covering KPIs, ownership, payment, revisions, AI use, confidentiality, and liability.

Built for the Feed

July 2026

Full Sail University - Publishing proposal

- Authored a full nonfiction proposal on creator-led entertainment brands with a 12-chapter outline, three sample chapters, audience definition, competitive-title analysis, and multi-channel promotion plan.

PROFESSIONAL EXPERIENCE

Call Center Representative May 2026 - Present

Partners In Diversity, contract for Metro ExpressLanes - Torrance, CA

- Manage approximately 30-35 customer calls daily while verifying toll charges, reviewing account activity, investigating disputes, processing payments, and documenting outcomes in Integrity.

Esports League Development Volunteer Intern

Jun 2025 - Dec 2025

Sports Media Inc. - Remote

- Coordinated confidential contract records, deliverables, event logistics, budgets, participant materials, schedules, and follow-up while researching leagues and tournament platforms for planning decisions.

Discord & Community Manager Intern

Feb 2025 - Jun 2025
