PROFESSIONAL SUMMARY

Entertainment business professional with 8+ years of experience across community management, esports operations, customer service, and technical support. Managed a 15,921-member Discord community, increased engagement by 35%, and developed sponsorship and operations materials for a sports marketing agency's esports division.

EXPERIENCE

Esports League Development Volunteer

Sports Media Inc. · Los Angeles, CA (Remote) · June 2025 - May 2026

- Developed sponsorship proposals and supporting documentation for the esports division of a sports marketing agency with 780+ venue partnerships.
- Collaborated with legal and content teams to align partnership materials with brand standards and internal review requirements.
- Organized tournament operations, including scheduling, registration tracking, and ruleset documentation for competitive gaming programs.
- Managed shared workflows and cross-department communication using Google Drive, Slack, and AI-assisted productivity tools.

Discord & Community Manager

Tanbii · Los Angeles, CA (Remote) · February 2025 - June 2025

- Managed and grew a Discord community of 15,921 members, increasing engagement by 35% through events, contests, and Q&A; campaigns.
- Designed and launched the Tanbii Internship Challenge, a four-category competition that added 532 members over six months.
- Maintained a cross-platform content calendar across Instagram, TikTok, Facebook, and X in coordination with marketing initiatives.
- Built moderation workflows and automation systems with MEE6 and Dyno to support community health at scale.
- Reported audience feedback and behavior trends to product and marketing stakeholders to inform decisions.

Customer Service Representative II

Optum / UnitedHealth Group · Remote · February 2023 - September 2024

- Handled 50+ inbound calls daily, authorizing treatment for mental health and substance abuse cases across multiple levels of care.
- Managed an active member caseload, ensuring care met medical necessity guidelines and connecting members with crisis and support resources.
- Resolved escalated issues across multiple systems, including iSETT, CDB, and LINX, in partnership with clinical and support teams.

Sr. Benefit Audit Agent / Sr. Customer Service Representative

Aerotek (Contract for Maximus) · Remote / Fontana, CA · January 2022 - January 2023

- Reviewed unemployment insurance claims against policy and UI code requirements to identify discrepancies across a high-volume caseload.
- Resolved complex wage and benefit cross-matching issues while coordinating with subject matter experts on escalations.
- Trained and mentored junior team members on audit workflows, documentation quality, and case handling practices.

Overnight Family Liaison & Logistics Specialist

Team Hope (Cherokee Federal / HHS Emergency Intake Site) · Pomona, CA · May 2021 - November 2021

- Supported secure family communication for unaccompanied youth while maintaining privacy expectations and HHS compliance.
- Coordinated overnight distribution of emergency supplies, helping ensure children received required clothing, bedding, and care items.

- Provided calm, trauma-informed support during overnight operations in a high-pressure humanitarian response environment.

Patient Service Representative

Kaiser Permanente · Fontana, CA · January 2021 - September 2021

- Verified patient information, processed payments, and assisted with history, consent, and account inquiries in a high-traffic medical setting.

Call Center Representative

American Security Products (AMSEC) · Fontana, CA · May 2019 - October 2020

- Diagnosed mechanical and electronic lock issues through inbound support calls and coordinated locksmith scheduling.
- Logged service activity in SafeManager and trained new hires on customer service procedures and documentation practices.

Network Technician

Charter Communications · Ontario, CA · February 2018 - April 2019

- Restored business and residential network service by troubleshooting LAN issues, hardware failures, and software configuration problems.

Call Center Representative

Wells Fargo · San Bernardino, CA · August 2016 - January 2018

- Assisted customers with account, billing, and service questions while de-escalating concerns and supporting new-hire training.

PROJECTS

Tempest eSports — Brand Strategy

Full Sail University · 2025 - Present

- Built a digital marketing strategy for an FPS-focused esports organization targeting Call of Duty, Valorant, Apex Legends, and Counter-Strike audiences.
- Conducted competitive analysis of 100 Thieves, FaZe Clan, and Team Liquid and translated findings into positioning and content recommendations.
- Designed a \$15,000 Year 1 campaign budget with projected \$162,000 revenue and KPI targets for growth and traffic.
