PROFESSIONAL SUMMARY

Entertainment business professional with 8+ years of experience across community management, esports operations, customer service, and technical support. Managed a 15,921-member Discord community, drove a 35% engagement increase at a gaming startup, and built a complete brand strategy for an FPS esports organization as part of an M.S. in Entertainment Business. Proven ability to work cross-functionally, produce results in fast-paced environments, and communicate clearly with audiences ranging from gaming communities to corporate teams.

EXPERIENCE

Esports League Development Volunteer

Jun 2025 – May 2026

Sports Media Inc. · Los Angeles, CA (Remote)

- Developed sponsorship proposals for the esports division of a sports marketing agency with 780+ venue partnerships.
- Collaborated with legal and content teams to align proposals with company standards and brand guidelines.
- Organized league and tournament operations including scheduling, registrations, and ruleset documentation.

Discord & Community Manager

Feb 2025 – Jun 2025

Tanbii · Los Angeles, CA (Remote)

- Grew and managed a Discord server of 15,921 members, increasing engagement by 35% through targeted events and campaigns.
- Designed the Tanbii Internship Challenge, a four-category competition that expanded the server by 532 members over six months.
- Maintained a cross-platform content calendar across Instagram, TikTok, Facebook, and X.
- Built moderation infrastructure using MEE6 and Dyno to maintain community health at scale.

Customer Service Representative II

Feb 2023 – Sep 2024

Optum / UnitedHealth Group · Remote

- Handled 50+ inbound calls daily, authorizing treatment for mental health and substance abuse cases across levels of care.
- Managed an active member caseload ensuring care met medical necessity guidelines, including direct support on crisis calls.
- Resolved complex cases across multiple systems (iSETT, CDB, LINX) partnering with clinical and support teams.

Sr. Benefit Audit Agent / Sr. Customer Service Rep

Jan 2022 – Jan 2023

Aerotek — Contract for Maximus · Remote / Fontana, CA

- Analyzed unemployment insurance claims against UI Code to identify and resolve discrepancies across a high-volume caseload.
- Resolved complex wage and benefit cross-matching issues with subject matter experts on escalated cases.
- Trained and mentored junior staff on benefit audit processes and documentation standards.

LANGUAGES

- English — Native
- Spanish — Bilingual

Overnight Family Liaison & Logistics Specialist

May 2021 – Nov 2021

Team Hope (Cherokee Federal / HHS Emergency Intake Site) · Pomona, CA

- Managed overnight communication channels for unaccompanied youth to contact families and sponsors, ensuring HHS compliance.
- Supervised inventory distribution, verifying thousands of children received emergency clothing, bedding, and personal care items.
- Provided trauma-informed emotional support during 24/7 overnight shifts to children experiencing high anxiety.
- Served the full program from site onboarding through decommissioning, maintaining operational consistency throughout.

Patient Service Representative

Jan 2021 – Sep 2021

Kaiser Permanente · Fontana, CA

- Verified patient information, processed payments, and assisted with history, consent, and account inquiries at a high-traffic facility.

Call Center Representative

May 2019 – Oct 2020

American Security Products (AMSEC) · Fontana, CA

- Diagnosed mechanical and electronic lock issues via inbound calls; coordinated locksmith scheduling and vendor negotiations.
- Logged all service details in SafeManager (FileMaker); trained new hires on customer management policies.

Network Technician

Feb 2018 – Apr 2019

Charter Communications · Ontario, CA

- Restored network services by troubleshooting system failures, LAN issues, and software configurations across business and residential accounts.

Call Center Representative

Aug 2016 – Jan 2018

Wells Fargo · San Bernardino, CA

- Handled inbound customer calls on accounts, billing, and services; de-escalated complaints and assisted in training new hire cohorts.

PROJECTS

Tempest eSports — Brand Strategy

2025 – Present

Full Sail University · Master's Capstone

- Built a full digital marketing strategy for an FPS esports org targeting Call of Duty, Valorant, Apex Legends, and CS audiences.
- Conducted competitive analysis of 100 Thieves, FaZe Clan, and Team Liquid; developed a four-pillar content strategy with a 4-week editorial calendar.
- Designed a \$15,000 Year 1 campaign budget with projected \$162,000 in revenue, targeting 10,000 followers and 2,500 monthly visitors.
